Anniversary Legacy Project

Aim: to build a set of storage cupboards at the back of the church, on the South side of the West Door

Style: the cupboards would be of the same height and style as the bookshelves and cupboards on the other side

Reason: the church's work with children has increased significantly over the last few years, and with it has come the need to store a large number of costumes, props and toys. The area at the back of church has become cluttered and confused to the detriment of the worship.

Proposal: To build something substantial and dignified that will be a legacy for this anniversary year, funded by proceeds from anniversary events. Should the amounts raised exceed the costs of the legacy project, or for unforeseen reasons the project not be able to go ahead, the PCC reserves the right to re-allocate the funds to other purposes.

150th Anniversary Year

2016

"Like living stones you are being built into a spiritual house"

(1 Peter 2: -5)

Christ Church Anniversary

On the 29th September 1866 the new church in Tettenhall Wood was consecrated as Christ Church by the Lord Bishop of Lichfield. In the century and a half since then generations have gathered to worship and to mark significant moments in their lives. In this anniversary year we give thanks for all those who have gone before us, and we look afresh at the church's place in the 21st century. This programme gives details of the varied programme of events to celebrate this special year, and also of the plans for a permanent legacy in the fabric of the building. Funds raised through the year will go to the legacy project. Finally, my heartfelt thanks go to all those who will be putting their time, energy and talents into organising this celebration.

Rev Phil Wootton (Team Rector)

Anniversary Programme
