UPDATE FROM ANN REANEY - GOOD SHEPHERD RELIEF IN NEED: I am packing up furniture and personal belongings for a Syrian family. They have a 15yr old daughter who relishes the education she is getting in the UK and her main requirement was a bookcase and desk for her education, obviously her mum wanted more ordinary things! The second mum we are supporting this week is 8 weeks from confinement of a little boy and this family have no recourse to public funds so we are packing up their household wares but especially the baby's needs. We have also helped a social worker with a 79year old lady whose furniture was falling apart. She has been given a new flat and we have provided her with some really nice furnishings. We really appreciate all that you do and please keep passing our details on to anyone who may have furniture or clearing a house. Ann on 07845003656.
