NEWS FROM GOOD SHEPHERD IN RELIEF

Greetings to our good friends at Christchurch and Good Shepherd. Just to update you, we have had seven referrals for desperate families since my last message so anything household, particularly cooking items and pots and pans. We are also desperate for ladies and children's clothes all sizes and ages, toiletries and bedding. I also have one of our beneficiaries, Ouso, who with his family were refugees from Nigeria and has four children. He has permission to remain for 10 years and despite having a British degree still cannot get work. He is helping me with the admin. Please pray for him as they are a good Christian family and he does worry about providing for his family. If you need furniture collecting or more information on house clearances please call me directly Ann Reaney on 07845003656. You are all in my prayers and I thank you from the bottom of my heart for your continuing support.
