

Prayers of Intercession
The First Sunday After Trinity

Let us pray to Father, Son and Holy Spirit.

Heavenly Father, we thank you for our family, our church family, friends, and neighbours. For clean air to breathe for flowers and bird song. We also thank you that we can open our church building for private prayer and look forward to when we can once again gather for worship together.

We pray for the family of George Floyd and everyone affected by racism. We ask that this tragic event will be a catalyst to eradicate racism for good and that we shall all work together for the good of all people.

Please be with everyone affected by Covid-19; for doctors and nurses on the front line; for patients suffering this dreadful illness; for all those who mourn the loss of loved ones.

We bring before you our government, our Prime minister, ministers, scientists, Sage and all who have to make difficult decisions every day. We thank you that the virus appears to be on the wane and we ask for it to be eliminated completely. We ask that a vaccine will be found soon.

We ask that you will be with Phil and all the ministry team as they lead us during these difficult times.

We pray for all who are ill, worried about treatment, concerned for loved ones. We ask for your comfort and peace until all can be returned to normal.

We ask that you bless us, our family and friends. Give us strength and courage to face the future knowing that you are with us every step of the way.

Merciful Father, **accept these prayers in the name of your son Jesus Christ. Amen.**
