

Intercessions for 3.1.21.

The grace and truth revealed in Jesus show God's freely-given love; through Jesus God pours out his blessings on us and gives us real freedom.

Let us settle ourselves in the stillness of God's peace as we pray.

Lord, may the Church clear away any barriers which prevent your love from flooding it.

Wash away all but what is constructed out of your love and built on your foundations.

O come;
let us adore.

Lord, may our world become sensitised to hear the whispered voice of your love; may we honour your creation and value one another as you value us.

O come;
let us adore.

Lord, may we receive you into our homes and families, our shops, schools and places of work; may we receive you into our conflicts, our arguments and our expectations.

O come;
let us adore.

Lord, even as we thank you for giving us free will, we pray for all those suffering in body, mind or spirit in any way. May they experience your upholding and healing love in body and soul.

O come;
let us adore.

Lord, may those who are journeying through death to eternity be awakened to the everlasting love of your Presence.

O come;
let us adore.

Lord, to whom else could we go?
You alone have the words of eternal life.

Merciful Father.
Accept these prayers
for the sake of your Son,
our Saviour Jesus Christ. Amen.

Here we give thanks for all those who are striving to keep your work going in this Parish as we have seen in the recent Christmas Fayre

Also for all those who are keeping the work of your Church going with virtual Services.

Lord we give thanks for all those who have worked tirelessly for a successful Brexit solution and that peace and harmony may now prevail with all those concerned.

Here we pray for all those who are affected by the Covid 19 Virus. We pray that the vaccines now developed will start to return our lives to normal and that many lives will be saved.

We pray also for all those whose jobs have been or are in danger of being lost.

Here we keep silence to remember those known to us.

Here we remember those loved ones who are always in our hearts.
