

Intercessions for 27.2.22.

'He commands even the winds and the water and they obey him'

Humankind has be brought into life by God. We owe our very existence to him.

Let us pray to him now.

We pray for each living person inhabiting our world with us with all the needs , emotions and experiences we share. We pray that we may recognise one another as brothers and sisters sharing the same heavenly Father.

Here we pray for all the refugees and displaced persons and for all those who are facing starvation and hardship.

Lord of creation
let your will be done.

We pray for greater reverence for God's creation.
In the way we use and manage resources and wildlife.

Here we pray for all god's creation that we may be moved to a greater effort to save our planet from rising temperatures and storms.

Lord of creation
Let your will be done.

We pray for all of us in the ship of the Church, that whenever storms rock the boat and appear to threaten us, We may trust God to bring us safely through.

We pray for all conflicts throughout our world especially for the present situation in Ukraine

Lord of creation
Let your will be done.

We pray for our children and for all giving and being born today.
We long for the world they enter to be welcoming and full of God's practical love.

We pray that the world will become a better place and that the present Covid crisis will soon be over.

Lord of creation
Let your will be done.

We pray for those who have chronic illness and have to live in constant pain. We ask for God's comfort and reassurance to support them.

Here we keep silence to remember those known especially to us.

Lord of creation.
Let your will be done

We pray for those who have died, thanking God for the example of lives well lived and for total healing now received.

Here we remember those who are always in our hearts

Merciful Father.
**accept these prayers
for the sake of your Son,
our Saviour Jesus Christ. Amen.**
