

REPORT FROM PCC SECRETARY 2022 LAST APCM SUNDAY 25 APRIL 2021

PCC Meetings held on zoom in June, September and November 2021.
Meetings held in person in January and March 2022.

SERVICES

Services were held in church with safety in place until all restrictions were removed by the government. Communion services held with 1 element only. Harvest, Christingle, Crib, Remembrance and Christmas services have all been held in church. All Sunday AM services are now live-streamed.

CHARITIES

The following have been supported:

Good Shepherd in Relief (Bilston) - with goods.

The Children's Society - supported by CC school children & families (Christingle raised £704.58).

We have continued to support overseas charities as well as local ones. See other reports for more information.

HEALTH & SAFETY

Reviewed and action taken throughout the year in accordance with Government guidelines.

We stuck to the guidelines enabling us to show the film 'Chosen'. Very much enjoyed by those who came throughout the winter. A very nice social event.

FINANCE

Because of low bookings due to restrictions and no social events, finances are low.

Our congregations are smaller. I would like to say thank you to all our worshipers, whether on-line or in church for their continued support and giving.

GENERAL

As a Foundation Governor for CC Schools it is a pleasure to be able to go in every week with 'Open the Book'. Whole school worship from September 2021.

The school has tried to hold special services in church but at the last minute had to cancel because of Covid.

It just remains for me to say thank you and well done to all.

Keep well, keep safe, keep in touch.

God bless

From Sue Wilson - PCC Secretary
